

PEER-Workshop on 24/25 January 2013:

Basic Skills in Science

This workshop is aimed at conveying a suite of skills aiding in the successful completion of a PhD. The topics addressed in the workshop comprise:

- Coming up with scientific hypotheses
- Performing literature research
- Writing and publishing in science
- Disciplinary and interdisciplinary research
- Self- and time-management

The workshop is aimed at PhD-students or Master-students about to start a PhD. Maximum number of participants is 12. Registration is required due to the limited number of participants. Priority will be given to PhD-students within the PEER-graduate school. If you are interested in taking part please send an e-mail to Birgit Thies to register (birgit.thies@bayceer.uni-bayreuth.de).

Deadline for registration: **21st of December 2012.**
